The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

Skee-Ball Lightning is an alley roll game. The object is to Roll each ball to be played up the alley into the sectioned play field. Players try to achieve a maximum score. Point value is doubled when the lightning bolt is lit when a ball rolls past.

This certification is conditioned upon the following:

- 1.) The maximum price to play shall not exceed the values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tokens or tickets.
- 3.) Balls used shall be essentially equal in size, shape, weight, and all other characteristics that may affect game play.
- 4.) Game shall be installed and maintained according to manufacturer specifications..

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
