The above-mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages.

This is page 1 of 3.

GAME DESCRIPTION

The Tower of Tickets Auto Reload game is a single player arcade redemption game. The game consists of a game button, a rotating playfield and a mechanical arm. The game button is located at the player position.

The object of the game is for the player to press the game button in order to time the extension of the mechanical arm into the rotating playfield which allows the arm to push stacks of tickets off the playfield into a drop area. If the player is not successful in knocking off the tickets from the playfield then the game is deemed over and the mechanical arm will retract into its original positions.

Upon completion of the game all tickets are dispensed to the player for prize redemption.

CONDITIONS

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tickets or tokens.
- 3.) Game shall be clean and free of debris.
- 4.) Game shall be installed and maintained according to manufacturer specifications.
- 5.) The game's playfield shall operate with only stacks of tickets, any merchandise other than tickets must be removed immediately from game play.

The approved operating software version is listed below:

Software Identification

Bay-Tek Games, Inc. has agreed to the terms by completing the certification section #1 of the application for Amusement Game Certification that reflects the software version **V2.1 w/player terminal V1.1.6** for the Tower of Tickets Auto Reload electronic redemption game is in full compliance with the Amusement Games Licensing Law. If device is found not to be in compliance with the Amusement Games Licensing Law the Commission has the right to revoke this certification.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
