Dear Candidate for Licensure by Credentials:

You have submitted a letter to the State Board of Mortuary Science of New Jersey requesting an application for licensure pursuant to the provisions of N.J.S.A. 45:7-49.1. Accordingly, the following materials are enclosed:

1) Application for Licensure by Credentials to practice mortuary science in the State of New Jersey. In addition to filing the application and the prescribed fee of $50.00, please attach two passport-size photographs to the application. Please note that your education and experience requirements must be substantially equivalent to those required by the State Board of Mortuary Science of New Jersey. Please refer to N.J.S.A. 45:7-49.1 for details. Accordingly, you must have an official copy of your college transcripts sent to this office directly from the college office and the National Board scores are to be sent directly to this office from the International Conference of Funeral Service Examining Boards, Inc.

After your completed application has been received by the State Board of Mortuary Science of New Jersey, you will receive from the Board a copy of its statutes and regulations booklet. The Jurisprudence Examination is based on the information to be found there.

It is your responsibility to contact your state licensing agency and direct them to verify your license in writing to this office. The verification must bear the raised seal of the state. Your license verification should include the following:

1) Your currently registered name, address and license number.
2) The date your license was issued.
3) Verification that your license is current and in good standing.
4) History of public disciplinary actions or a statement that there have been no public disciplinary actions.
5) Period of internship (apprenticeship).

Sincerely,

William Mandeville
Executive Director
Application for Licensure by Credentials

Date: ____________________________

A nonrefundable application filing fee of $50.00, in the form of a check or money order made out to the State of New Jersey, must be submitted with this application. (Applicants should understand that if the application filing fee is paid with a personal check, and the check is returned by the bank due to insufficient funds, the next step in the licensure or certification process will be delayed until the fee is paid.)

The Board maintains, as part of its responsibilities, a record of your home address, business address and mailing address. You may choose which of these addresses will be considered as your “address of record.” If you do not indicate (by putting a check in the appropriate box) which address should be used as your address of record, your mailing address will be considered to be your address of record. A post office box may be used as your address of record, but only if you provide another address which includes a street, city, state and ZIP code.

Information that you provide on this application may be subject to public disclosure as required by the Open Public Records Act (OPRA).

Please print clearly. You must answer all of the questions on this application.

7. Medical Conditions Questions

Questions a through f pertain to medical conditions and use of chemical substances. Please read the definitions carefully. Your responses will be treated confidentially and retained separately. Please be aware that you have the right to elect not to answer those portions of the following questions which inquire as to the illegal use of controlled dangerous substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure or certification will be processed if you claim the Fifth Amendment privilege against self-incrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question that you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law. (N.J.S.A. 45:1-20.)

“Ability to practice mortuary science” is to be construed to include all of the following:

a. The cognitive capacity to exercise reasonable mortuary science judgments and to learn and keep abreast of professional developments; and
b. The ability to communicate those judgments and related information to customers and other interested parties, with or without the use of aids or devices, such as voice amplifiers; and
c. The physical capability to perform the duties of a mortuary science practitioner, with or without the use of aids or devices, such as corrective lenses or hearing aids.

“Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, H.I.V. disease, tuberculosis, drug addiction and alcoholism.

“Chemical substance” is to be construed to include alcohol, drugs or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber’s direction, as well as those used illegally.

“Currently” does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather, it means recently enough so that the use of drugs may have an ongoing impact on one’s functioning as a licensee, or within the previous two years.

“Illegal use of controlled dangerous substance” means the use of a controlled dangerous substance obtained illegally (e.g. heroin or cocaine) as well as the use of controlled dangerous substances which are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

a. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? □ Yes □ No
b. Are the limitations or impairments caused by your medical condition reduced or ameliorated because you receive ongoing treatment (with or without medications) or participate in a monitoring program**? □ Yes □ No □ Not applicable
c. Are the limitations or impairments caused by your medical condition reduced or ameliorated because of the field of practice, the setting or manner in which you have chosen to practice? □ Yes □ No □ Not applicable
d. Does your use of chemical substance(s) in any way impair or limit your ability to practice your profession with reasonable skill and safety? □ Yes □ No □ Not applicable
e. Have you ever been diagnosed as having or have you ever been treated for pedophilia, exhibitionism or voyeurism? □ Yes □ No
f. Are you currently engaged in the illegal use of controlled dangerous substances? (Recall that “currently” is defined as “within the last two years.”) □ Yes □ No

If you answered “Yes” to question f, are you currently participating in a supervised rehabilitation program or professional assistance program which monitors you in order to assure that you are not engaging in the illegal use of controlled dangerous substances? □ Yes □ No

** If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individualized assessment of the nature, the severity and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license or certificate should be issued, whether conditions should be imposed or whether you are not eligible for licensure or certification.
