III. OLD BUSINESS

1) Schools Records Retention

The Council discussed the issue of creating and maintaining daily notes by OTs and OTAs practicing in school districts, as well as issues related to record retention, and that those practices may not conform to the Council's regulations.

The Council asked staff to contact the Department of Education to obtain information, guidance and/or policy, if any, regarding creating and maintenance of records.

IV. Licenses Renewal (Off Agenda)

The Council, noting that licensees are advised that their licenses have expired after the end of the grace period, asked that the Division send its licensees a letter on or before October 15, of the renewal year, as a reminder. Such a letter may avoid a licensee going into expired/automatically suspended status.
