## *2017 Application Fees Dates*

### **Notes:**

- 1. Application numbers will be assigned upon receipt of the completed application.**
- 2. Effective October 2008, the PE examination will be given in the following disciplines:**

*Agricultural; Architectural; Chemical; Civil; Mechanical; Metallurgical and Materials; Mining and Mineral; Naval Architecture and Marine; Nuclear; Control Systems; Electrical and Computer; Environmental; Fire Protection; Industrial; Petroleum and P Surveying.*

Transcripts without application numbers will **not** be retained. It is your responsibility to request that your college/university submit an official transcript to this office with an application number. Although we have an official deadline date for applications and documents, you are advised to submit all paperwork as soon as possible so that it may be processed promptly. Meeting the document deadline ensures that your application will be reviewed for the next available examination. It does not guarantee that the Board will find you eligible to sit for the exam(s). It is your responsibility to contact the Board office to confirm that all of your documents have been received. Please refer to your assigned application number when calling.
