NEW JERSEY STATE LEAGUE OF MASTER PLUMBERS, COMPLAINANTS

Complaints against unlicensed entities advertising plumbing services were submitted by the New Jersey State League of Master Plumbers. These complaints were assigned file numbers and reviewed by the Board. Members voted on June 25, 2009, to issue an Offer of Settlement with a \$2,500 fine to each unlicensed entity where a review of an advertisement established a violation(s) of New Jersey Plumbing Statutes and Regulations. Some of these violations included references to plumbing, minor or light plumbing, water heaters, or ordinary repairs. This "Offer" replaces the advertising letter, includes a cease and desist, and assesses a penalty.

Offers of Settlement were issued on January 14, 2010 to the subscribers provided by the NJSLMP; however, the responses to these settlement letters are forthcoming and the investigations of these complaints are continuing.

A \$2,500 penalty payment and a signed acknowledgment were received from the following entities on the dates indicated:
