VLAD FRENK, M.D.	:	
License No. MA86845	:	CONSENT ORDER
	:	
TO PRACTICE MEDICINE AND SURGERY	:	
IN THE STATE OF NEW JERSEY	:	
_____	:	

THIS MATTER was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that on or about September 20, 2013, the New York State Board for Professional Medical Conduct ("New York Board") entered a "Consent Order" adopting a "Consent Agreement and Order" that Respondent, Vlad Frenk, M.D., a/k/a Vladislav Frenk, agreed to a censure and reprimand, a three-year probation, and payment of a \$10,000 fine, together with other terms and conditions.

CERTIFIED TRUE COPY

The Consent Agreement and Order provided that Respondent cannot successfully defend against at least one of the acts of misconduct set forth in a Statement of Charges. Respondent was charged with committing professional misconduct pursuant to N.Y. Educ. Law § 6530(32) by failing to maintain a record for each patient which accurately reflects the care and treatment of the patient, and with committing professional misconduct pursuant to N.Y. Educ. Law § 6530(3) by practicing the profession of medicine with negligence on more than one occasion.

As a result of the foregoing, the Board has determined that Respondent's acts giving rise to the above New York disciplinary action provide a basis to take disciplinary action against Respondent's New Jersey license to practice medicine and surgery pursuant to N.J.S.A. 45:1-21(e).

IT NOW APPEARING that the parties wish to resolve this matter without recourse to formal proceedings; and that the Respondent hereby waives any right to a hearing in this matter; and the Board finding the within Order adequately protects the public's health, safety and welfare; and for good cause shown;

IT IS on this 19th day of February, 2015, ORDERED and AGREED that:

1. Respondent shall be, and hereby is, reprimanded for his actions as indicated above;

2. Respondent's license to practice medicine and surgery shall be, and hereby is, placed on probation for three years, commencing and consistent with the initiation of the probationary period as set forth in the New York Consent Order, but which probationary period shall not terminate until Respondent demonstrates to the satisfaction of the Board that his probationary period in New York has successfully terminated; and

3. Respondent agrees that if the Board, upon receipt of reliable information and in its sole discretion, determines during the probationary period that the Respondent has failed to comply with any provision of this Consent Order, or the New York Consent Order, or is in violation of any of the Board's statutes and/or regulations, then Respondent's New Jersey license to practice medicine and surgery shall be automatically and immediately suspended. Within ten (10) days of notification of the suspension, Respondent may seek a hearing before a Committee of the Board limited to the sole issue of the basis for the automatic suspension.

MEDICAL EXAMINERS

Stewart A. Berkowitz, M.D.  
Board President

I have read and understand  
this Consent Order and agree to be  
bound by its terms. I further  
hereby consent to the entry of  
this Consent Order.

Vlad Frenk, M.D.
