Federal Standards Statement

A Federal standards analysis is not required because the readopted rules with amendments, repeals, and new rules are governed by N.J.S.A. 45:8B-1 et seq., and are not subject to any Federal requirements or standards. Although the rules in N.J.A.C. 13:34 are not subject to any Federal requirements or standards, where deemed appropriate, the Board has voluntarily required licensees to comply with applicable Federal laws and regulations. Specifically, recodified N.J.A.C. 13:34-7.1 provides that failure to comply with Federal laws
related to the practice of marriage and family therapy will be deemed professional
misconduct. N.J.A.C. 13:34-8.3, 18.5, and 27.5 require licensed marriage and family
therapists, professional counselors, associate counselors, and rehabilitation counselors to
preserve the confidentiality of information obtained from a client in the course of
professional treatment unless disclosure is required by Federal law. N.J.A.C. 13:34-18.4 and
27.4 require a professional counselor, associate counselor, or a rehabilitation counselor
whose client has explicitly waived the counselor-client confidentiality privilege to release
client information to a third-party payor whose benefit plan is qualified under the Federal
licensees to provide parties with information concerning the limits of confidentiality,
including confidentiality limitations with respect to alcohol and drug abuse patient
information imposed pursuant to 42 CFR Part 2.
