**Standard Containers for Farm Products; Weights and Measures**

Authority: N.J.S.A. 51:1-61.

Authorized By: David Freed, Acting State Superintendent, Office of Weights and Measures.

Effective Date: January 30, 2018.

New Expiration Date: January 30, 2025.

**Take notice** that pursuant to N.J.S.A. 52:14B-5.1, the rules at N.J.A.C. 13:47G were scheduled to expire on April 21, 2018. The rules set the standards for containers carrying fruits and vegetables. The rules state that all standard containers for fruits and vegetables must have the [page=987] capacity marked in terms of quarts. The rules also stipulate that the markings be applied by the manufacturers of the containers and that the containers include either the manufacturer's name and address or a sign or seal furnished to the manufacturer by the Superintendent of Weights and Measures.

The Office of Weights and Measures has reviewed the rules and has determined them to be necessary, reasonable, and proper for the purpose for which they were originally promulgated, as required by Executive Order No. 66 (1978). Therefore, pursuant to N.J.S.A. 51:1-61 and in accordance with N.J.S.A. 52:14B-5.1.c(1), the rules are readopted and shall continue in effect for a seven-year period.
