Complaint Process

As a unit of the Division of Consumer Affairs, the Board of Pharmacy (Board), takes its responsibility seriously. A copy of the complaint will be forwarded to the licensee with a cover letter from the Board requiring a detailed written response to the allegations in the complaint. Once that response has been received, it will be reviewed and disposition may be recommended. If the Board needs additional information, the licensee may be required to appear to answer questions concerning the matter.

Please be advised that any information you supply on the complaint form may be subject to public disclosure. If an investigation into the matter is conducted, the information is subject to public disclosure only after the completion of the investigation. You are also advised that the completed complaint form is a "government record," which the Board may be obligated to provide to anyone making a request pursuant to the Open Public Records Act (OPRA).

You are further advised that pursuant to Section 4B of Executive Order No. 26, information concerning any individual's medical, psychiatric or psychological history, diagnosis, treatment or evaluation is not a government record subject to public access.

The disposition of the matter may take several months. Please understand that the Board can only take formal action if it finds sufficient basis that the licensee violated State laws or regulations. If the Board determines that formal action is required, the matter is referred to the office of the Attorney General. In that case, formal charges may be filed against the licensee and the licensee will be given an opportunity to defend himself or herself. This process can take a considerable period of time.

If the complaint involves a dispute over fees, please be advised that the Board has limited jurisdiction over fees charged by professionals. If the Board determines that there is insufficient basis to pursue disciplinary action, but determines that the matter involves a fee dispute, your complaint may be referred to the Alternative Dispute Resolution (ADR) Unit of the Division of Consumer Affairs. The ADR is a free mediation service that can be helpful in resolving such matters.

Until a final determination has been made, the Board is not permitted to disclose information regarding the matter. You will be notified in writing when a final determination has been made.
