56:13-1. Definitions relative to operators engaged in repair or removal of inoperable, illegally parked vehicles.

As used in this act:

"Charge card" means a credit card on an account for which no periodic rate is used to compute a finance charge.

"Credit card" means any card, plate, coupon book, or other single credit device that may be used from time to time to obtain credit.

"Operator" means a person who engages in the business of transporting motor vehicles that are inoperable or parked illegally or otherwise without authorization from public or private property to a site where repairs may be made or the vehicle may be stored and who may also perform motor vehicle repairs.

L.2002, c.67, s.1; amended 2007, c.193, s.19.

56:13-2. Operator's compliance with motorist's reasonable repair or transport request

An operator who either responds to a call for assistance from a motorist with an inoperable vehicle or who offers to transport or repair the vehicle of such a motorist shall comply with any reasonable request of the motorist either to repair the vehicle or to transport it to a site where the repair may be made.

L.2002, c.67, s.2.

If the operator cannot repair the inoperable vehicle to the satisfaction of the motorist he shall, with the motorist's consent, subject to the provisions of P.L.2007, c.193 (C.56:13-7 et al.), transport the vehicle to the operator's place of business or to another mutually agreed upon location. The vehicle, once repaired, may be retained in the possession of the operator or other repairer, as the case may be, pending payment, pursuant to N.J.S.2A:44-20 et seq. The operator, if other than the repairer, shall be eligible for reimbursement for transporting the vehicle to the repair site. If the estimated cost of repairs exceeds $50, the motorist shall be given a written estimate of the repair costs.

L.2002, c.67, s.3; amended 2007, c.193, s.20.

a. For services rendered, or to redeem a motor vehicle from storage, the operator shall accept in payment either cash, a check issued by an insurance company, a valid debit card, or a valid major credit card or charge card subject to the provisions of subsection b. of this section.

b. The operator may request additional identification, as determined by the Director of the Division of Consumer Affairs, before proceeding with repairs or towing. Unless the motorist is unable to produce such identification, or the operator has a bona fide reason to believe the card or other identification is fictitious, altered, stolen, expired or revoked or not valid for any other cause or is clearly offered with intent to defraud the issuer, the debit card, charge card or credit card shall
be deemed an acceptable form of payment in lieu of cash if the operator ordinarily accepts the card at his place of business. Nothing in this act shall preclude payment by a motorist in the form of check or money order, if this form of payment is acceptable to the operator.

L.2002, c.67, s.4; amended 2007, c.193, s.21.

56:13-5. Violation, fine

A violation of this act shall be punishable by a fine of $500. The second and any subsequent offense shall be punishable by a fine not to exceed $1,000.

L.2002,c.67,s.5.

56:13-6. Rules, regulations

The Director of the Division of Consumer Affairs shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), as are necessary to effectuate the purposes of this act.

L.2002,c.67,s.6.

This act shall be known and may be cited as the "Predatory Towing Prevention Act."

The Legislature finds and declares that:

a. While the majority of tow truck operators in New Jersey are reputable service providers, some unscrupulous towers are engaged in predatory practices victimizing consumers whose vehicles are parked on public streets and private property;

b. Predatory towing practices include charging unwarranted or excessive fees, particularly in connection with towing vehicles from private parking lots which do not display any warnings to the vehicle owners, or overcharging consumers for towing services provided under circumstances where the consumer has no meaningful opportunity to withhold consent;

c. The legitimate business interests of tow truck operators and the needs of private property owners for relief from unauthorized parking must be balanced with the interest in providing appropriate protection to consumers;

d. Whatever authority exists in the law to regulate towing and towing companies is fragmented among various State agencies and local governments, so that inconsistent or inadequate regulation often results, with insufficient recourse provided under the law; and

e. Therefore, it is in the public interest to create a coordinated, comprehensive framework to establish and enforce minimum standards for tow truck operators.

L.2007, c.193, s.2.

As used in this act:

"Basic towing service" means towing as defined in this section and other ancillary services as may be specified by the director by regulation.

"Consumer" means a natural person.

"Decoupling fee" means a charge by a towing company for releasing a motor vehicle to its owner or operator when the vehicle has been, or is about to be, hooked or lifted by a tower, but prior to the vehicle actually having been moved or removed from the property.

"Division" means the Division of Consumer Affairs in the Department of Law and Public Safety.

"Director" means the Director of the Division of Consumer Affairs.

"Motor vehicle" includes all vehicles propelled otherwise than by muscular power, excepting such vehicles as run only upon rails or tracks and motorized bicycles, motorized scooters, motorized wheelchairs and motorized skateboards.

"Non-consensual towing" means the towing of a motor vehicle without the consent of the owner or operator of the vehicle.

"Person" means an individual, a sole proprietorship, partnership, corporation, limited liability company or any other business entity.

"Private property owner" means the owner or lessee of private property, or an agent of such owner or lessee, but shall not include a private property towing company acting as an agent of such owner or lessee.

"Private property towing" means the non-consensual towing from private property or from a storage facility by a motor vehicle of a consumer's motor vehicle that is parked illegally, parked during a time at which such parking is not permitted, or otherwise parked without authorization, or the immobilization of or preparation for moving or removing of such motor vehicle, for which a service charge is made, either directly or indirectly. This term shall not include the towing of a motor vehicle that has been abandoned on private property in violation of section 1 of P.L.1967, c.305 (C.39:4-56.5), provided that the abandoned vehicle is reported to the appropriate law enforcement agency prior to removal and the vehicle is removed in accordance with section 1 of P.L.1973, c.137 (C.39:4-56.6).

"Private property towing company" means a person offering or performing private property towing services.

"Towing" means the moving or removing from public or private property or from a storage facility by a motor vehicle of a consumer's motor vehicle that is damaged as a result of an accident or otherwise disabled, is recovered after being stolen, or is parked illegally or otherwise without authorization, parked during a time at which such parking is not permitted, or otherwise parked without authorization, or the immobilization of or preparation for moving or removing of such motor vehicle, for which a service charge is made, either directly or indirectly. Dues or other charges of clubs or associations which provide towing services to club or association members shall not be considered a service charge for purposes of this definition.
"Vehicle" means any device in, upon or by which a person or property is or may be transported upon a highway.

L.2007, c.193, s.3; amended 2009, c.39, s.1.

a. A towing company shall maintain liability insurance which meets or exceeds the requirements of this section, or such other amounts as the director may determine by regulation, including in the case of each light-medium duty tow truck, motor vehicle liability insurance coverage for the death of, or injury to, persons and damage to property for each accident or occurrence in the amount of at least $750,000 single limit, and in the case of each heavy-duty tow truck, motor vehicle liability insurance coverage for the death of or injury to persons and damage to property for each accident or occurrence in the amount of at least $1,000,000 single limit.

c. Nothing in this section shall preclude a State agency or political subdivision, or the independent authorities or instrumentalities thereof, from requiring additional or higher liability insurance coverage or amounts with respect to contracts for towing and storage services awarded under the authority of such agency, subdivision, authority or instrumentality.

b. All fees charged for private property or other non-consensual towing services and related storage services shall be reasonable and not excessive.
