This act shall be known and may be cited as the "Massage and Bodywork Therapist Licensing Act."

L.1999, c.19, s.1; amended 2007, c.337, s.2.

45:11-54. Findings, declarations relative to practice of massage and bodywork therapies.

The Legislature finds and declares that:

a. the public interest requires the regulation of the practice of massage and bodywork therapies and the establishment of clear licensure standards for massage and bodywork therapists;

b. the health and welfare of the citizens of this State will be protected by identifying to the public those individuals who are qualified to practice massage and bodywork therapies; and

c. the regulation of massage and bodywork therapists will benefit the public by encouraging it to take advantage of massage and bodywork therapies as a viable complement to traditional medicine.

L.1999, c.19, s.2; amended 2007, c.337, s.3.

45:11-55. Definitions relative to practice of massage and bodywork therapies.

"Board" means the New Jersey Board of Massage and Bodywork Therapy established pursuant to section 14 of P.L.2007, c.337 (C.45:11-69).

"Massage and bodywork therapies" or "massage and bodywork" means systems of activity of structured touch which include, but are not limited to, holding, applying pressure, positioning and mobilizing soft tissue of the body by manual technique and use of visual, kinesthetic, auditory and palpating skills to assess the body for purposes of applying therapeutic massage and bodywork principles. Such application may include, but is not limited to, the use of therapies such as heliotherapy or hydrotherapy, the use of moist hot and cold external applications, explaining and describing myofascial movement, self-care and stress management as it relates to massage and bodywork therapies. Massage and bodywork therapy practices are designed to affect the soft tissue of the body for the purpose of promoting and maintaining the health and well-being of the client. Massage and bodywork therapies do not include the diagnosis of illness, disease, impairment or disability.

L.1999, c.19, s.3; amended 2007, c.337, s.4.

45:11-59. Duties, responsibilities of board.

The board shall:
a. Review the qualifications of applicants for licensure;

b. Insure the proper conduct and standards of examinations;

d. Suspend, revoke or fail to renew the license of a massage and bodywork therapist pursuant to the provisions of P.L.1978, c.73 (C.45:1-14 et seq.);

e. Establish any standards for the continuing education of licensees as it deems necessary;

f. Prescribe or change the charges for examinations, licensures, renewals and other services performed pursuant to P.L.1974, c.46 (C.45:1-3.1 et seq.); and

g. Maintain a record of every massage and bodywork therapist licensed in this State, and the date and number of his license, and publish a list of the names and addresses of all licensees annually.
