A nonactive registration renewal certificate shall be issued to those not practicing within the State upon payment of a renewal fee, payable to the secretary-treasurer of the board on such dates and times as the board may determine. Should a nonactive registrant desire to practice in New Jersey during the registration year, he shall notify the board in writing of his office location, shall pay the required fee for a change of address and an additional fee to activate his license. Every licensee holding an active registration renewal certificate who intends to practice at any place other than the address for which his active registration renewal certificate is issued shall be required to obtain from the secretary-treasurer for a fee a branch office registration certificate for each and every location wherein he practices; provided, that nothing herein contained shall be construed to require an active licensee to obtain a branch office certificate for the purpose of serving on the staff of a hospital or other health care facility licensed by the Department of Health or institution; and further provided, that nothing herein contained shall be construed to require an active licensee to obtain a branch office certificate for the purpose of rendering necessary optometric services to patients confined to their homes, hospitals or other health care facilities licensed by the Department of Health or institutions.

Every licensee holding a branch office registration certificate or certificates shall, on such dates and times as the board may determine, pay to the secretary-treasurer a registration renewal fee for each branch office registration certificate he holds, for which he shall receive a branch office registration renewal certificate or certificates.

In case of default in payment of registration renewal fees by any registered optometrist, his certificate or certificates to practice may be revoked by the board upon 20 days' notice to the last
registered address of said optometrist of the time and place of considering such revocation; but the certificate or certificates shall not be revoked if the person in default pays such fees before or at such time of consideration named by the board.

Branch office registration certificates and branch office registration renewal certificates shall be displayed in the offices for which they are issued as provided for in R.S.45:12-8.

a. No person, not a holder of a certificate of registration duly issued to him, shall practice optometry within the State, and no person shall falsely personate a registered optometrist of a like or different name, nor buy, sell or fraudulently obtain a certificate issued to another. No person shall directly or indirectly for himself or others do or engage in any acts or practices specifically prohibited to duly registered optometrists by the provisions of section 45:12-11 of this chapter.

b. No person shall peddle spectacles, eyeglasses or lenses or practice optometry from house to house or on the streets or highways notwithstanding any law providing for the licensing of peddlers. This shall not prohibit, however, an optometrist from attending, prescribing, and furnishing spectacles, eyeglasses or lenses to a person who by reason of an illness, or physical or mental infirmity is confined to his place of abode, or to a hospital or other institution. For the purposes of this section, "lenses" shall include contact lenses without power, sometimes referred to as "plano" lenses.
