In addition, one firm has received two consecutive “pass with deficiencies” ratings in their peer review which triggers the need for an accelerated review per our regulations. However, the PROC will discuss the timing and deadline for such a review at its January meeting as the required timing per the state regulations will be impractical to apply in this case. Ms.

IX  Public Comments

Jeff Kaszerman, Director of Government Relations for the New Jersey Society CPAs, provided the Society’s report. Ralph Albert Thomas, the Society CEO and Executive Director, sends his regrets for not being able to attend today’s Board meeting. He is in New York City attending the AICPA’s Board meeting. Following are the Society’s key dates and activities and initiatives:

Reminder of Important Society Dates

•December 6th- Society’s Board Meeting and Leadership Holiday Luncheon.
•December 10th- Society’s President Gerard Abbattista will participate on an Economic Policy Panel at NJBIA’s Annual Public Policy Forum. Gerard will be sharing results from the Society’s recent survey of CPA leaders in public accounting and the private sector regarding their opinions and feelings about economic conditions nationally and in New Jersey.
Mr. Kaszerman updated Board members and staff on the following Society activities and initiatives:

• The Society’s CEO & ED attended the 106th Annual Meeting of the National Association of State Boards of Accountancy (NASBA), where NJSCPA past President and former President of the NJ State Board of Accountancy, Andy DuBoff, received NASBA’s Distinguished Service Award. Needless to say, the Society was extremely proud that Mr DuBoff was awarded such an honor.

• S 2116, the Reciprocity Bill which the Society has been supporting, was posted this past Monday for a full vote of the Senate. The Bill was passed unanimously by the Senate, and now moves to the full Assembly for a concurrence vote, hopefully before the end of the "lame duck" session. We anticipate that Governor Christie will sign the bill if it passes the Assembly.

• The provisions of the Appeal Bond Cap Bill, which the Society has been supporting, were included in an Economic Growth Bill, S 3030. This Bill was posted in the Senate Economic Growth Committee on Thursday November 14th, and was unanimously voted out of the Committee. The Society CEO and ED testified at the Committee hearing in support of the Appeal Bond Cap provisions in S 3030. This Bill now moves to the Senate Budget Committee for a hearing sometime in December.

• Society leadership met with Assemblywoman Munoz and discussed her proposed legislation (A4378) to require mandatory audit firm rotation for local governments. As a result of our meeting, we believe we articulated that mandatory audit firm isn’t the solution to her concern. The Assemblywoman has asked the Society to work with her office to propose recommendations for her consideration to create a new bill to address concerns surrounding controls over local and county expenditures.

• At a prior Board meeting the Society noted that the current reciprocity form on the Board website is outdated with respect to the list of states noted as not being substantially equivalent. Apparently, the list is still not updated because we received a complaint from a member who is a New York CPA who was informed by Board staff that the form is correct and that NY is not substantially equivalent.
