## ***Instructions for Completing the Criminal History Review for Certification Reinstatement***

***New Jersey Office of the Attorney General  
Division of Consumer Affairs  
New Jersey Board of Nursing  
Criminal History Review Unit***

**APPLICANT PROCEDURE**  
**INSTRUCTION SHEET**  
**HOMEMAKER - HOME HEALTH AIDE**  
**EMPLOYEE CRIMINAL HISTORY REVIEW**

Pursuant to N.J.S.A. 45:11-24.3 et seq., all applicants for reinstatement of homemaker-home health aide certification must first submit to a **criminal history record background check**. The Board of Nursing shall not issue a homemaker-home health aide certificate to any applicant until the Board determines that no criminal history record information exists on file with the Identification Division of the Federal Bureau of Investigation, or with the State Bureau of Identification of the Division of State Police, which would disqualify that person from being certified.

1. In order to complete the criminal history review process, you must complete a **Certification and Authorization form** and **obtain electronic fingerprinting**. The forms that you need to obtain the electronic fingerprinting, which will initiate the criminal history record background check, will be provided by the Board of Nursing. However, it is your responsibility to schedule an appointment for the fingerprinting.
2. Complete and have notarized the Application for Certification as a Homemaker-Home Health Aide, and the Certification & Authorization form for a Criminal History Background Check. Applicants must answer all of the questions on the Application for Certification as a Homemaker-Home Health Aide and the Certification & Authorization form truthfully and completely.

**\*PLEASE NOTE:** You are required to complete the application form and the Certification & Authorization form, including having your signature witnessed by a notary. Failure to consent to, or cooperate in, the securing of a criminal history background check automatically disqualifies you for employment. Please also be advised that if you submit a false sworn statement, you shall be disqualified from certification and shall not have an opportunity to establish rehabilitation.

3. If you have disclosed on your Certification & Authorization form that you have been convicted of a disqualifying offense, you must provide evidence of rehabilitation\* along with your application.
4. Return the completed Certification & Authorization form in the enclosed envelope. Your failure to obtain the electronic fingerprints is grounds for denial of your reinstatement application. Your reinstatement application will not be processed until the criminal history record background check has been completed.
5. The Criminal History Review Unit will receive the results of the criminal history record background check and forward them to the Board of Nursing at which time a determination will be made as to whether you are qualified for recertification.

#### FACTORS OF REHABILITATION

\*P.L.1997, c. 284 provides that the Board of Nursing may grant certification to a disqualified applicant who can affirmatively demonstrate, by clear and convincing evidence, that he/she is rehabilitated. In determining whether an applicant has affirmatively demonstrated rehabilitation, the following factors must be considered:

1. The nature and responsibility of the position which the convicted person would hold or has held, as the case may be;
2. The nature and seriousness of the offense;
3. The circumstances under which the offense occurred;
4. The date of the offense;
5. The age of the person when the offense was committed;
6. Whether the offense was an isolated or repeated incident;
7. Any social conditions which may have contributed to the offense; and
8. Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the person under their supervision.

**NOTE: All letters and documents which are used to substantiate rehabilitation must be signed by the individual who wrote the letter or document: for example, the employer, clergyman, probation officer, an official of a rehabilitation agency, or a counselor. Letters and documents that are not signed will not be considered by the Board of Nursing.**

6. In the event of a disqualification, you will receive a letter outlining the offense(s) used as a basis for the disqualification with instructions regarding the appeal process. Notification of your disqualification will also be sent to the health care service firm or the home health agency which is your conditional employer or your prospective employer, or to the school where you received your training. Failure to file an appeal within 30 days will result in permanent disqualification. You will be informed in writing of all procedures to follow when filing an appeal.

All questions concerning these procedures should be directed to the Homemaker-Home Health Aide Unit at (973) 504-6430.

7. **Your continuing responsibility to disclose convictions of disqualifying crimes/offenses:** You **must** notify the New Jersey Board of Nursing within no more than five (5) business days if you are convicted of any of the disqualifying crimes or offenses identified on the next few pages after this form has left your hands. Failure to do so may result in **automatic termination of your current employment, denial of an initial or renewal application for certification, revocation of your certification or conditional certification as a homemaker-home health aide and/or a fine of up to \$1,000.**

In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure will be processed if you claim the Fifth Amendment privilege against self-incrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question that you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law. (N.J.S.A. 45:1-20.)

“Ability to practice as a certified homemaker-home health aide” is to be construed to include all of the following:

- a. The cognitive capacity to exercise reasonable homemaker-home health care judgments and to learn and keep abreast of professional developments; and
- b. The ability to communicate those judgments and related information to patients and other interested parties, with or without the use of aids or devices, such as voice amplifiers; and
- c. The physical capability to perform the duties of a homemaker-home health aide, with or without the use of aids or devices, such as corrective lenses or hearing aids.

“Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, H.I.V. disease, tuberculosis, drug addiction and alcoholism.

“Chemical substance” is to be construed to include alcohol, drugs or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber’s direction, as well as those used illegally.

“Currently” does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather, it means recently enough so that the use of drugs may have an ongoing impact on one’s functioning as a licensee, or within the previous two years.

“Illegal use of controlled dangerous substance” means the use of a controlled dangerous substance obtained illegally (e.g. heroin or cocaine) as well as the use of controlled dangerous substances which are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

- a. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety?  Yes  No
- b. Are the limitations or impairments caused by your medical condition reduced or ameliorated because you receive ongoing treatment (with or without medications) or participate in a monitoring program\*\*?  Yes  No  Not applicable
- c. Are the limitations or impairments caused by your medical condition reduced or ameliorated because of the field of practice, the setting or manner in which you have chosen to practice?  Yes  No  Not applicable
- d. Does your use of chemical substance(s) in any way impair or limit your ability to practice your profession with reasonable skill and safety?  Yes  No  Not applicable
- e. Have you ever been diagnosed as having or have you ever been treated for pedophilia, exhibitionism or voyeurism?  Yes  No
- f. Are you currently engaged in the illegal use of controlled dangerous substances? (Recall that “currently” is defined as “within the last two years.”)  Yes  No

If you answered “Yes” to question f, are you currently participating in a supervised rehabilitation program or professional assistance program which monitors you in order to assure that you are not engaging in the illegal use of controlled dangerous substances?  Yes  No

\*\* If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individualized assessment of the nature, the severity and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license or certificate should be issued, whether conditions should be imposed or whether you are not eligible for licensure or certification.
