The above-mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages.

CONDITIONS

1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.

GAME DESCRIPTION

The Go Ballistic game is a single player electronic arcade redemption game. The Go Ballistic game has five (5) separate theme games available to be selected by the player. The games are; “Wood Chucker,” “Sweet Shop,” “Crazy Kitchen,” “Pain Ball” and “Counter Attack.” The player selects a game by throwing one of the provided game balls at the video screen and hitting the appropriate selection. Once the player has made their selection of choice, game play begins. The object of the game applies to all said games. The player throws the game balls at the selected targets on the video screen in attempt to hit as many targets as possible before the game time expires. The game then tallies all the targets hit and awards tickets according to the posted payout schedule.

Upon completion of the game all awards are dispensed as tickets to the player for prize redemption.

2.) Payout must occur immediately in the form of tickets or tokens.

3.) Game shall be clean and free of debris.

4.) Game shall be installed and maintained according to manufacturer specifications.
