Amusement Game
Certification of Permissibility Number, 2-886
Up & Away

NAME OF GAME: Up & Away

MANUFACTURER: Universal Space Video Game
70 Esna Park Drive Unit #5
Markham, Ontario L3R6E7

APPLICANT: Universal Space Video Game
70 Esna Park Drive Unit #5
Markham, Ontario L3R6E7

The above-mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages. This is page 1 of 3.

GAME DESCRIPTION

Up & Away is a single player or two player arcade redemption game. The Up & Away game consists of two attached side by side player stations. Each player station consists of an air blowing gun, four game balls, game clock and a vertical light bar with a astronaut character .

Single Player Mode

During single player mode the player selects the side of choice and initiates the game with the proper coins or tokens. The object of the game is for the player to shoot air from the gun at the game balls which travel up into the play field were there are four (4) openings. When each game balls falls into the opening the player star illuminates on the vertical light bar and the astronaut character moves up one space. The player attempts to move the astronaut character within the allotted time (default 30 seconds). The player is awarded tickets base up how high the astronaut character moves up the vertical light bar. All awards are dispensed as tickets to the player for prize redemption.

Two-player Mode

During two player mode, both play stations are being utilized during game play. The object of the game is for the players to shoot air from the gun at the game balls which travel up into the play field were there are four (4) openings. When each game balls falls into the opening the players star illuminates on the vertical light bar and the astronaut character's moves up one space. The players attempt to move the astronaut character's within the allotted time (default 30 seconds). The players are awarded tickets base up how high their astronaut character moves up the vertical light bar. However, the first player to reach the top of the light bar is awarded additional tickets. All awards are dispensed as tickets to the players for prize redemption.

CONDITIONS

1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.

2.) Payout must occur immediately upon a win.

3.) The game play field shall be clean and free of debris.

4.) Game shall be installed and maintained according to manufacturer specifications

5.) The device is being operated by the following software version:
