6. Illegal Use of Controlled Dangerous Substances

The question below pertains to the illegal use of controlled dangerous substances. Please read the definitions carefully. Your responses will be treated confidentially and retained separately. Please be aware that you have the right to elect not to answer this question if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure or certification will be processed if you claim the Fifth Amendment privilege against self-incrimination.
