Dear Applicant:

In November 2003, legislation was passed that requires the Division of Consumer Affairs to conduct criminal history record background checks on all health care professionals prior to the issuance of an initial license or other authorization to practice a health care profession (N.J.S.A. 45: 1-28 et seq.). The records of the Division show that you are a current applicant for licensure or certification as a health care professional, and as such, the Division must arrange to conduct a criminal history check of your background.

In order for the Division to conduct a criminal history record background check, you must complete the enclosed Certification and Authorization form and return it to the mailing address above.

(In-State Applicants)

Upon receipt of the completed Certification and Authorization form, the Board will ***forward*** your information about how to schedule an appointment with MorphoTrust, Inc., to have your fingerprints electronically recorded. ***A \$62.70 fingerprinting fee must be paid to MorphoTrust, at the time of fingerprinting.*** The \$62.70 payment should be in the form of a check or money order made payable to MorphoTrust.

(Out-of-State Applicants)

Upon receipt of the completed Certification and Authorization form, the Board will ***forward*** you one state and one federal fingerprint card. Out-of-state applicants must have their fingerprints recorded, on the cards provided, by their local police department, by their state police department or by their local law enforcement agency. You must return the fingerprint cards to the Board or Committee with the required fee. Applicants submitting fingerprint cards will be required to pay a \$58.69 fee to have their fingerprints scanned into the electronic system by MorphoTrust. ***The \$58.69 should be in the form of a check or money order made payable to MorphoTrust.***

If you fail to complete and return the Certification and Authorization form, your application for licensure or certification will not be processed and your application will be considered abandoned.
