

## Evaluation of non-ABET Accredited Education Credentials

---

The Board requires graduation from an approved (*ABET-accredited*) undergraduate curriculum in engineering or engineering technology of four years or more.

**ALL** undergraduate degrees which are not ABET-accredited must be evaluated from one of the Board's recommended evaluation providers. Please request a **Subject Analysis** Evaluation.

For evaluation of a non-ABET accredited engineering degree, the following evaluation provider is recommended:

**NCEES**

280 Seneca Creek Road

Seneca, SC 29678

(800) 250-3196

For evaluation of a non-ABET accredited engineering technology degree, the following evaluation providers are recommended:

**Josef Silny & Associates**

7101 SW 102 Avenue

Miami, FL 33173

(305) 273-1616
