SUBCHAPTER 26.
AUTOMOTIVE DISPUTE RESOLUTION

13:45A-26.1 PURPOSE AND SCOPE

a) The purpose of this subchapter is to implement the Lemon Law, P.L. 1988, c. 123, by establishing an automotive dispute resolution system within the Division of Consumer Affairs in conjunction with the Office of Administrative Law. The subchapter also sets forth the method of refund computation, and details the reporting requirements and procedure for publication of compliance records of manufacturers of motor vehicles.

b) This subchapter is applicable to:

1) All manufacturers of passenger automobiles, authorized emergency vehicles and motorcycles registered, sold or leased in the State of New Jersey;

2) All purchasers and lessees of passenger cars, authorized emergency vehicles and motorcycles registered, sold or leased in the State of New Jersey; and

3) Dealers servicing such vehicles whether their service facilities are located within or outside of the State.

13:45A-26.2 DEFINITIONS

As used in this subchapter, the following words shall have the following meanings:

“Co-manufacturer” means, solely with respect to an authorized emergency vehicle as defined in N.J.S.A. 39:1-1, any person that fabricates the authorized emergency vehicle utilizing a component or components of a new motor vehicle made by a manufacturer, other than modifying an existing standard model of a vehicle manufactured by a manufacturer, which component or components are obtained by the co-manufacturer from the manufacturer to fabricate the vehicle for use as an authorized emergency vehicle prior to an initial retail sale or lease of the emergency vehicle.

“Days” means calendar days.

“Dealer” means the person or entity that purchases a motor vehicle from a manufacturer for sale to consumers and in the case of an authorized emergency vehicle, includes the distributor.
“Director” means the Director of the Division of Consumer Affairs.

“Dispute Resolution System” means a procedure established by the Division of Consumer Affairs and the Office of Administrative Law for the resolution of disputes regarding motor vehicle nonconformity(s) through summary administrative hearings.

“Distributor” means a wholesaler or other supplier that sells emergency vehicles to fire and police departments, first aid or rescue squads and others who operate emergency vehicles in response to an emergency call.

“Examination” means an examination of the motor vehicle by a service technician performed by or on the behalf of a manufacturer or its dealer.

“Lemon Law Unit” (“LLU”) means the administrative unit within the Division of Consumer Affairs that processes Lemon Law matters.

“Manufacturer” means a person engaged in the business of manufacturing, assembling or distributing motor vehicles who will, under normal business conditions during the year, manufacture, assemble or distribute to dealers at least 10 new motor vehicles and, in the case of an authorized emergency vehicle, unless the context indicates otherwise, includes a co-manufacturer or post-manufacturing modifier, if known.

“Motor vehicle” means a passenger automobile, authorized emergency vehicle or motorcycle as defined in N.J.S.A. 39:1-1, that is registered, sold or leased in the State of New Jersey, whether purchased, leased or repaired in the State or outside the State, except the living facilities of motor homes.

“Nonconformity” means a defect or condition which substantially impairs the use, value or safety of a motor vehicle.

“OAL” means the Office of Administrative Law.
“Out of service” means the number of days the defective motor vehicle is on the premises of a repair facility for the purpose of repairing one or more nonconformities; delays caused by the consumer, such as a delay in picking up the motor vehicle from the facility after notification that it is ready, shall not be counted as days out of service.

“Post-manufacturing modifier” means, solely with respect to an authorized emergency vehicle as defined in N.J.S.A. 39:1-1, any person who modifies the configuration of an existing standard model of a motor vehicle purchased from a manufacturer to adapt the vehicle for use as an authorized emergency vehicle prior to an initial retail sale or lease of the vehicle.

“Term of protection” means within the first 24,000 miles of operation or the two years following the original date of delivery of the motor vehicle to the consumer, whichever is the earlier date.

“Title” means the certificate of ownership of a motor vehicle.

13:45A-26.3 STATEMENTS TO CONSUMER; OTHER NOTICES

a) At the time of purchase or lease of a motor vehicle in the State of New Jersey, the manufacturer, through its dealer or lessor, shall provide the following written statement in English and Spanish directly to the consumer on a separate piece of paper, in at least 10-point bold-face type:

IMPORTANT: IF THIS VEHICLE HAS A DEFECT THAT SUBSTANTIALLY IMPAIRS ITS USE, VALUE OR SAFETY OR THAT IS LIKELY TO CAUSE DEATH OR SERIOUS BODILY INJURY IF DRIVEN, AND WAS PURCHASED, LEASED OR REGISTERED IN NEW JERSEY, YOU MAY BE ENTITLED UNDER NEW JERSEY’S LEMON LAW TO A REFUND OF THE PURCHASE PRICE OR YOUR LEASE PAYMENTS.

Here is a summary of your rights:

1. To qualify for relief under the New Jersey Lemon Law, you must give the manufacturer or its dealer the opportunity to repair or correct the defect in the vehicle within the Lemon Law’s term of protection, which is the first 24,000 miles of operation or two years after the vehicle’s original date of delivery, whichever is earlier.
2. If the manufacturer or its dealer is unable to repair or correct a defect within a reasonable time, you may be entitled to return the vehicle and receive a full refund, minus a reasonable allowance for vehicle use.

3. It is presumed that the manufacturer or its dealer is unable to repair or correct the defect if substantially the same defect continues to exist after the manufacturer has received written notice of the defect by certified mail, return receipt requested, and has had a final opportunity to correct the defect or condition within 10 calendar days after receipt of the notice. This notice must be received by the manufacturer within the term of protection and may be given only after (i) the manufacturer or its dealer has had two or more attempts to correct the defect; (ii) the manufacturer or its dealer has had at least one attempt to correct the defect if the defect is one that is likely to cause death or serious bodily injury if the vehicle is driven; or (iii) the vehicle has been out of service for repair for a cumulative total of 20 or more calendar days, or in the case of a motor home, 45 or more days.

4. If substantially the same defect continues to exist after the manufacturer has had the final opportunity to repair or correct the defect, you may file an application for relief under New Jersey's Lemon Law.

“I ACKNOWLEDGE RECEIPT OF NOTICE OF NONCONFORMITY OF THIS VEHICLE, VIN NO. _________________ AS REQUIRED BY N.J.S.A 56:12-35 (THE ‘LEMON LAW’)."

Alternatively, the deal or lessor may fulfill this requirement by making the following notation in underlined boldface type on the front page of the vehicle buyer order form or the lease form:

“NOTICE OF NONCONFORMITY OF THIS VEHICLE, VIN NO. ____________________, HAS BEEN PROVIDED TO THE PURCHASER OR LESSEE AS REQUIRED BY N.J.S.A. 56:12-35 (THE ‘LEMON LAW’)."
5) The manufacturer, dealer or lessor shall notify the Special Title Section of the MVC of the resale or release of the vehicle by requesting transfer of the branded title to the new owner or lessor, in writing.

d) Each time a consumer’s motor vehicle is returned from being examined or repaired during the term of protection, the manufacturer through its dealer shall provide to the consumer an itemized, legible statement of repair which indicates any diagnosis made and all work performed on the vehicle; the statement of repair shall provide at least the following information:

1) Information regarding a consumer’s rights and remedies under the relevant law; and

2) The procedure to be followed in order to participate in the various dispute resolution systems.

c) All correspondence by consumers or manufacturers to the Division of Consumer Affairs regarding Lemon Law matters shall be directed to the attention of the Lemon Law Unit, as follows:
13:45A-26.5 PRELIMINARY STEPS TO INITIATE A LEMON LAW ACTION WITHIN THE DIVISION OF CONSUMER AFFAIRS LEMON LAW UNIT

a) To initiate a claim within the Division of Consumer Affairs Lemon Law Unit under the Lemon Law:

1) Written notification of the potential claim shall be sent certified mail, return receipt requested, by or on behalf of a consumer, to the manufacturer of a nonconforming motor vehicle if and only after one of the following occurs during the first 24,000 miles of operation or within 24 months after the date of original delivery, whichever is earlier:

i) Except as set forth in (a)1iii below, substantially the same nonconformity has been subject to examination or repair two or more times by the manufacturer or its dealer and the nonconformity continues to exist;

ii) The motor vehicle has been out of service by reason of repair for one or more nonconformities for a minimum of 20 days, or in the case of a motor home, for a minimum of 45 days, since the original delivery of the motor vehicle, and a nonconformity continues to exist; or

If the nonconformity continues to exist after expiration of the 10-day time period and the manufacturer refuses to replace or refund the price of the vehicle, the consumer may pursue a Lemon Law claim with the Lemon Law Unit.

b) Nothing contained in this section shall preclude a consumer from alternatively filing an action in Superior Court.

c) When a motor home or authorized emergency vehicle has been constructed by more than one manufacturer, an examination or repair attempt will not count towards the examination...
or repair attempts referred to in (a)1 above, if the repair facility is not authorized to provide services by the manufacturer, co-manufacturer or post-manufacturing modifier who constructed the nonconforming portion of the vehicle.

d) If a nonconformity in a motor home is addressed more than once due to a consumer’s decision to continue travelling and to seek examination or repair of the same nonconformity at another authorized repair facility rather than waiting for the examination or repair to be completed at the initial repair facility, it shall constitute one examination or repair for the purpose of the examination or repair attempts referred to in (a)1 above.

c) In the case of an authorized emergency vehicle, the manufacturer, co-manufacturer or post-manufacturing modifier shall provide the consumer with a full refund of the purchase price of the original emergency vehicle, depending on the source of the nonconformity, including any stated credit or allowance for the consumer’s used emergency vehicle, as well as any other charges or fees, including, but not limited to, sales tax, license and registration fees, reimbursement for towing and reimbursement for actual expenses incurred by the consumer for the rental of a substitute emergency vehicle, if applicable, for the period during which the consumer’s emergency vehicle was out of service due to the nonconformity.

The notification to the manufacturer and consumer shall be by hand delivery or certified mail, return receipt requested. Within 45 days of receipt of the final decision, any party may file an appeal in the Appellate Division of the Superior Court.

c) The manufacturer shall advise the Director as to its compliance with the final decision no later than 10 days following the date stated for completion of all awarded remedies.

1) For a principal sum equal to the money award made by the administrative law judge, plus $2500 for anticipated attorney’s fees and other costs;

2) Secured by cash or its equivalent; and

4) The number and total dollar amount of awards in which some form of reimbursement for expenses or compensation for losses was the remedy, the amount or value of each award and the number of awards satisfied in a timely manner;

5) The average number of days from the date of a consumer’s initial request to use the manufacturer’s informal dispute settlement procedure until the date of the decision and the average number of days from the date of the decision to the date on which performance of the award was satisfied; and

6) A list of all motor vehicles and their Vehicle Identification Numbers stamped with “R—RETURNED TO MANUFACTURER UNDER LEMON LAW OR OTHER PROCEEDING,” which have been reported to the MVC Special Title Section during the previous six months.
